14-gauge door panel, 20-gauge liner

Quiet-close feature

Single-point latch

ELITE LOCKERS

Meet the new standard for corridor lockers.

The Elite series of lockers raises the bar for corridor locker strength and durability. The increased thickness of steel throughout the entire locker allows Elite to surpass every competitor's standard locker offering.

- + 14-gauge steel outer door panels, 20-gauge liner
- + 20-gauge standard oyster body panels
- + 16-gauge galvaneal shelves, tops and bottoms
- + Full-length integrated hinge and frame
- + Vast selection of powder-coated finishes
- + GSS Lockers quiet-close and stay-closed features
- + Single-point latch

AVAILABLE IN

- + Four heights – 36", 48", 60" and 72"
- + Four widths – 12", 15", 18" and 24"
- + Five depths – 12", 15", 18", 21" and 24"
- + Multi-compartments per locker available

VERSATILITY IN ONE DESIGN.

Ideal for heavy-duty use in schools, locker rooms, industrial environments, government, sports facilities, educational, commercial and mining industries.

Available in many colour powder-coated finishes. Purchase assembled or knocked down. Manufactured by GSS Lockers.
