

gss lockers

Sloping tops

Single-point latch

Double-tier locker compartments

PRO LINE Z LOCKERS

The Pro Line Z Locker from GSS Lockers has been designed to provide storage of longer garments in a 2-tier configuration. The Pro Line Z is an ideal locker for adult use in any environment.

Manufactured by GSS Lockers to our exact specifications, this locker will be maintenance-free and retain its appearance for many years.

Doors are full double-pan, all-welded construction with a full-length hinge for long life and secure storage of your valuables. The lockers are the strongest, most secure lockers available in the marketplace today.

AVAILABLE IN

- + One height – 72"
- + Three widths – 12", 15" and 18"
- + Three depths – 12", 15" and 18"
